

Ringmer U3A

E-Bulletin No 8

(June 2016)

- **Good news for Theatre goers:** The Theatre Club is now establishing itself as a viable group with 29 active members. That figure includes some who are returning U3A members, and some newly interested in U3A because of this group. Between May and November, we shall have been to six productions, with twenty of us going to Glyndebourne Touring Company performance of Don Giovanni Behind The Curtain in October. The more members we have, the better group discounts we can obtain, so please join us if you have any interest in the theatre. Our next planning meeting is Friday 5th August, you will be welcome. (Jacquie & Ray– Convenors).
- **Annual General Meeting:** The AGM took place on 18 May with some 25 members attending. The minutes will be circulated by email with the Autumn 2016 Newsletter. The Treasurer reported a healthy balance in our accounts and the annual fee for next year will remain the same (£8). Reports were received from all the various interest groups and the SUN Representative. Julia decided not to stand again for election, but all other committee members did stand and were elected. Lynne was also elected onto the committee.
- **New Enrolment Process:** If you wish to remain in a group next year then please let your convenor know before the end of July. Full details about enrolment for next year will appear in the Autumn Newsletter.
- **Dates for your Diary:**
 1. **1 July** – Deadline for next (Autumn 2016) Newsletter. Convenors please note. Some photos please.
 2. **22 July** – Summer 2016 Newsletter published.
 3. **17 August** – Open Day in the Village Hall from 10 to 12.
