Life as a Genealogist

Mat Homewood

Mat is one of the new breed of young professional genealogists and social historians. He's from Lewes, and some of you will know his father Brian (who lives in Ringmer).

Mat will share some of his unusual and extraordinary cases, combining them with anecdotes and his top tips on building your family tree. He may help you overcome some of the brick walls we discussed last month.

His talk will be entertaining and informative, and is not to be missed. Please bring your friends.

Tuesday 29 August

Don't forget:

U3A enrolment is on Wednesday 16 August between 10.00 and 12.00 in the Village Hall.

Next year?

Please e-mail Bob or indicate on the list at the July meeting if you are *not* planning to rejoin this group next year.

There will be no meeting.

We are still trying to arrange a visit to a local place of interest for our August meeting. Details will be circulated if we are successful.

Trips to **West Sussex Record Office** and the **Imperial War Museum**: those who have indicated an interest will be contacted in the near future.
